** You will need time to enter the track as there may be a line of cars, time to park, and time to get your bib and race shirt if you have not yet done so. ***Note: WGI will require that every person entering sign a waiver at the gate. There will be 3 lanes open.***
**If you have not already picked up your packet, volunteers will be ready for packet pick up at 8:00 AM. It is STRONGLY encouraged that you pick up your packet before the event, at one of the Packet Pickup options offered at the Arnot Mall on 10/29 and 10/30.

Where does the race start? Runners and walkers will start at the Pedestrian Bridge on the course. **Note: the 1-mile will go the opposite direction of the 3.4/6.8-mile participants. Look for signage to indicate where the 1-mile will go otherwise you will end up on the main mile course.

Where do I park? Parking for this event will be near the registration and race start/finish point. Signs will direct you to event parking.

Are there water stations? There will be one water station on the Inner Loop of the track in front of Mile Marker 2. There will also be water at the Finish Line after the race.

What type of timing is being used? Participants of the 3.4/6.8-mile course receive a disposable timing chip on the back of their bib, so each participant will receive an accurate, net time, for when they cross the start and finish line. Participants in the 1-mile course are not timed.
